- RoviSys Emergency Support Pay expenses will require **responsible manager** level authorization after the project manager level authorization that occurs today. This must be configured in the GrandView project settings for any project that will have Emergency Support Pay expenses. The responsible manager must be

added to the Selected Manager Authorizers section of the Project Approval Settings in the GrandView project settings.

- Emergency Support Pay expenses will appear on the new Manager Authorizations tab for responsible managers who are configured as a Manager Authorizer on the project in GrandView.
